Year 2 – Term 3 – Off we go! How many ways can we travel? 2018-2019

English

As part of our topic on vehicles, we will be starting with a fiction text called *Mrs Armitage on Wheels* by Quentin Blake.

The children will be making improvements to Mrs Armitage's bicycle. We will also be looking at a variety of non-fiction texts to learn about the Wright Brothers and Henry Ford.

DT

We will be designing and building a vehicle.

Opportunities to inspire

We will be visiting the Haynes International Motor museum.

PSHE

We will be looking at the theme of 'going for goals'. Children will set themselves a personal challenge.

History

We will look at a timeline and learn about how transport has developed. Particularly focusing on the motor car and aeroplanes.

Mathematics

We will be beginning to learn our timetables (10s, 5s, 2s and 3s). The children will also be learning multiplication and division through practical and pictorial methods. We will also look at data and statistics using tables and tally charts. We will then continue with Geometry and shape looking at properties of shape, symmetry and patterns.

Physical Education

Games

Throwing, catching
rolling, bouncing.
Inventing individual games

Music

Following Year 2 Charanga units – Beat and Pitch

Science

This will be cross-curricular with DT when we will look at properties of materials and their uses in relation to making vehicles.

Geography

This term we have a History focus.

Computing

We will be using a program to collect and publish data and the important issue of keeping safe online.

Religious Education

Christianity and Islam – Special stories and books.
