

How have machines developed in the past and how might they change our future?

English

This term, in our English lessons we will use a variety of texts and video clips about monsters and machines to inspire to our story writing.

In Guided Reading, we will be looking at variety of play scripts, We will focus largely on sentence structure, vocabulary and we will also start to look at Year 3 spelling patterns and rules.

Art & Design

We will hopefully be working in partnership with a technological designer and plan and create our own invention.

Computing

We are going to link our computing work to robotics and how computing is changing and influencing humans.

Mathematics

We will continue to develop our understanding of multiplication and division and move on to learning strategies where you multiply and divide a 2 digit number by a 1 digit number.

We will also learn consolidate Year 2 learning about money and focus on adding and subtracting amounts, converting money and giving change.

PSHE

This term we will start off the year by setting goals and thinking about our learning behaviours. We will then move on to thinking others and setting up a young enterprise raise money.

History

We will learn about famous inventors from the past and compare them to current inventors and inventions. We produce a non-chronological report explaining key facts.

Modern Languages

This term we learn the names of different food and continue to expand our French vocabulary.

Music

We are going to continue to learn to play the recorders and create our own percussion instrument.

Science

We will be learning about light and dark . We will create a puppet show to find out how shadow are formed.

Geography

We will learn about trade links with other countries and make links how inventions have helped us to trade globally and strengthen links.

Physical Education

We will be consolidating and applying our throwing and catching skills in Netball this term. As we begin to understand the game we will be learning new skills such as shooting as defensive tactics in play.

Religious Education

We will continue to learn about Jesus' teachings and look at how some of Jesus' miracles tell us about some of the big questions of life.
