

### English

We will be reading Enid Blyton's The Famous Five in Guided Reading and English. We will continue with fiction with Jack and the Flumflum Tree by Julia Donaldson. In SPaG we will be looking at possessive apostrophes and contracted words e.g. didn't, wouldn't etc.

### Art

We will be designing and making coil pots in clay for Easter.

### Opportunities to inspire

We will be taking part in the Easter service and learning about the meaning of Easter to Christians.

### Mathematics

We will be looking at fractions – halves, quarters, thirds and three quarters, equivalence and counting in fractions. We will then go on to look at height and length in measurement looking at units of measurement in a practical context.

### PSHE

The theme this term is 'Who looks after me'. We will look at families and friends who care for us and how we can look after ourselves – in particular, our teeth.

### History

There will be a Geography focus this term.

### Physical

### Education

### Games

Working with a partner to use a ball – aiming, hitting and kicking.

### Music

Continuing with the Charanga scheme of work – pitch and beat.

### Science

The focus for Science this term is the needs of humans and animals. We will look at how humans and animals need water, food and air to survive. We will then look at healthy eating, the importance of exercise and keeping clean.

### Geography

We will be focusing on local Geography. We will look at maps and directions on a compass. We will then map a route in our school grounds.

### Computing

We will be looking at animation creating a very simple animation programme to create our own animations.

### Religious Education

Continuing the theme of Special Books and stories we will look at
