Friday Note 13
4 December 2015

Dear Parents

New Baby

Mya and Finley Dagger have a new baby sister. Welcome to the world Ellie-Mae Oatley born weighing 7lbs 13oz. Congratulations to the family.

Christmas Jumpers

Children are welcome to come to school on Wednesday 16th, (Christmas Dinner Day) in their Christmas Jumpers. This is completely optional and no donation is required.

Christmas Breakfast Club

14th-17th December, £2.00 per child. Plenty of crafts and fun Christmas stuff! See Mrs Baker for more details.

KS2 Library Book Amnesty!

Children in KS2 are allowed to borrow one book each from our KS2 reading area. We would like to take all books back in before the end of this term. Please could you encourage your child to have a careful look at home and in their bags and return any reading books that belong to school.

After Christmas we will be restocking with a selection of fantastic new books, which have been kindly funded by the PTA. We would be very grateful if you could encourage your child to look after their books so we can all enjoy them. Many thanks.

Acorn Class Open Morning

Parents and Carers of Acorn Class were invited in on Wednesday morning to do craft activities with their children, they all had a lovely time as you can see.

Community News

Do you want to swim fast?

Norton Radstock Swimming Club where the dream began for former Westfield Primary School pupil Stacey Tadd, who represented Great Britain at the London 2012 Olympics.

The club is affiliated to the ASA, Somerset ASA and SW ASA Region. We were awarded the Swim 21 Club Essential accreditation, the ASA's quality mark which recognises clubs that are committed to providing a safe, effective and quality service for the benefit of their members. We are an inclusive club with experience of the Para Pathway.

Our aim is to provide an opportunity for children who having reached the recommended stage of the A.S.A's Learn to Swim Programme where the next step is entry into a club environment. Swimmer's continued development is under pinned by a skills based approach endorsed by the A.S.A. to refine stroke technique and competitive skills. NRSC is one of twelve clubs which make up the Aquae Sulis Network, collaboratively we work together to deliver the athlete pathway.

Whatever your child's dream maybe our long term aim is to help them develop a lifelong love of aquatics.
