Friday Note
 7 October 2016

Dear Parents

We are very sad to have to report that we have had complaints from residents of Tanner close about sticks and stones being thrown into their gardens. For the time being the tunnel area of the field will be out of use during play times. Please can you supervise children after school if playing in this area so we can stop the problem.

We have also been told that there has been a lot of litter along the main road outside school, particularly at school times. This may not be us but if we can use the bins for litter we can ensure that we are doing our bit!
