Dear Parents

A week of wonderful sporting events!

Sports Day

Thank you very much to everyone who managed to come to support our sports day, luckily the weather didn't stay bad for too long and we managed to have a lovely day.

Congratulations to Frome who won the house competition. We are very much looking forward to Nursery and Reception's turn on Monday.

Golf

Well done to the pupils who represented Westfield at Farrington Park on Tuesday. They played very well, supported one another and finished 5th overall in BANES.

Race For Life

'My vision when setting the £2000.00 target was to run this event during the school day so that every single child had the opportunity to take part. As the event unfolded this wasn't possible so we had to run after school, meaning we had about 140 runners. Given this we are amazed that we have almost smashed our original target with only 1 third of the children we expected.' – Mr Chorley

Well done to everyone who took part in this fantastic event we have raised a massive £1771.93!!! A special mention should go to Tali Barnes and Evan Price who raised almost £500.00 between them!! Westfield, once again are amazing.

Performing Arts Club

Music Concert: On Wednesday 27th June, our instrumentalists will be hosting a music concert at 2.15pm. Grown-ups are welcome to come and watch this performance. Our instrumentalists will be performing again on Thursday 28th June at 9.00am for those parents and careers who cannot make the afternoon performance.

Cricket

A fab day was had by the cricket team at the Sulis Club in Bath. The competition was tough but Westfield held their own and performed well – thank you for representing the school.

Youth Parliament

Well done to Thomas Andrews, Leilah Jones, Elliot Snelling and Lexi King who represented our school at a Primary School's Parliament event this week, along with 95 children from other schools in our local area.

The theme for this year was 'Feel Good, Live Well' Health and Equality for Life. The children did a fantastic job of sharing their ideas about discrimination and thinking about small things that can make a big difference to help our wellbeing.

We are incredibly proud of all the children for taking part and doing such a great job in presenting their ideas to a wider audience #goteamwestfield
