Dear Parents

#FantasticFutures

Fantastic Futures week kicks off on Monday, bigger and better than before! It is aimed to raise the children's aspirations, whilst at the same time providing them with many exciting activities and opportunities.

The children will also develop a range of skills and competencies, including; creativity, innovation, problem solving, teamwork, communication and careers awareness all relevant to careers in STEM industries.

Community News

Volunteer 1-2 hours a week to support a vulnerable child

Could you spare an hour or two a week to support a 7-21 year old struggling with family difficulties or problems in school? Local youth charity Mentoring Plus needs volunteer mentors for school aged children in B&NES. Mentors are kind, committed adults who meet up with pupils one to one weekly in school hours (for primary) or in the evenings (for secondary), have a chat, do fun activities and explore their community together.

No previous experience is needed and full training is given. You'll help a lonely or anxious child to feel more confident, know their own strengths and cope better in the classroom – and build skills and confidence yourself!

Please call Mentoring Plus on 01225 429694 for a no-obligation chat or see mentoringplus.net/volunteer for details. Next training: Sat 6 & 13th Oct 2018.
