Dear Parents

Letter from St Peters Church

Since we have started to leave the gates of St Peter’s Church open, to allow easier access to the garden of rest, and for people to enjoy a place of peace and quiet. We have noticed more and more people are using the car park to drop off and collect their children from school. Although we sympathise with the limited parking opportunities around the school, we are worried as a church about the way cars enter and exit the car park, this is an accident waiting to happen.

The entrance to the church car park was never designed for two-way traffic, it was designed for people to come to church, stay for the service or other functions and then all leave in the same direction. We have also noticed many people are parking around on the grass of the entrance drive, again creating an even narrower access point.

As a church our insurance only covers anyone using the car park for church or hall business. Therefore, we would ask, please refrain from using the Church car park while dropping off and collecting your children. Sadly, if this doesn’t happen, we will be forced to start locking the gates again, thus depriving people the quiet use of the grounds and easy access to the final resting place of their loved ones.

Respectfully yours
 Revd Ian Rousell
 Priest in charge St Peter's Westfield
