

It is important that your grant is used effectively and based on school need. The Education Inspection Framework (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by 31st July 2020 at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
 Received Gold level award for the second year running for the School Games Mark. CPD swimming for all new staff that started in Sept 2019 already carried out. Variety of CPD opportunities delivered to staff in delivering inclusive PE, swimming, gymnastics, tennis and whole school INSET on teaching games for understanding. Staff CPD during partial closure well attended (list provided) Increased participation at SEND level (opportunities through SSP inclusive events) – Boccia and curling festival, inclusive bowling. Developed relationship with Somerset Cricket board and Bath Rugby foundation to deliver coaching and sporting opportunities to children. Achieved Bronze award for Banes sustainable travel mode shift award. Competed in a number of local competitions and achieved some good team and personal results. Introduction of kids yoga with trained external yoga teacher. High uptake of staff PE CPD during partial school closure from March-July. 	 More visiting coaches to address unmet needs in variety of year groups. Investment in outdoor area to provide resources and better facilities for active playtimes. Training for SMSAs to actively engage in lunchtime supervision Develop use of sports council to lead lunchtime competitions and games. Continue to develop newer sports and clubs within school to support targeted groups of children in school to access PE (boccia, curling, fencing). Purchase new equipment in order to provide better sports opportunities and PE lessons to all children. Purchase new competitive kit to increase presentation standards at events. Signed up to Mediation Rocks scheme as a trial – will evaluate and look to continue across the school if successful

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a	%
distance of at least 25 metres?	TBC July 2021
N.B. Even though your pupils may swim in another year please report on their attainment on leaving	
primary school at the end of the summer term 2020.	

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	% TBC July 2021
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	% TBC July 2021
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and

Academic Year: 2020/21	Total fund allocated: £19, 350 SH	Date Updated:	01/10/20	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: %	
Intent	Implementation		Impact	25% (£4, 837.50)
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Improve school offer of intra-school sport for all pupils.	Build capability, capacity and resources available to the Sports Council to provide quality and consistent intraschool sport opportunities. Jenny Mosley training for all SMSAs and SLT to introduce more physical activity during lunchtime and positive behaviour.	for SMSAs £750.00 for JM training	Quality intra-school sport is taking place. Lunchtimes are more structured for some children and the positive impact is evidenced by improved numbers of children being active and improved behaviour at lunchtimes.	
All children encouraged to increase their fitness through monitoring and informal competitions.	· · · · · · · · · · · · · · · · · · ·	£500 for new resources following internal staff audit.	Well-resourced PE lessons delivered to pupils and sports day able to run more effectively with enough resources for all children to access without waiting around.
