New Spring Vista is a new community Interest Company (CIC) set up to support our children, young people and vulnerable adults on their journey of personal growth, self confidence, rediscovery and acceptance of themselves.

This is achieved using the natural environment, alongside the support of the horses in Equine Facilitated Learning and other animals.

Please fill out the survey by scanning the QR code or copying the link below to help shape the tailor made services we can offer you in the future.

Completing the survey will give you the opportunity to register your interest for a free 'meet and greet' the ponies at New Spring Vista.

Thank you from Team NSV.

To access the survey, please follow the link below:

The first 50 people to complete the survey will be entered into a free prize draw to win a £25 high street gift voucher. The winner will be notified via email.

Do you know someone who'd benefit from time outdoors, away from screens and stress? New Spring Vista offers five acres of calm, connection and open space – with horses and ponies at the heart of it all.

A place to build confidence, enjoy nature, and just be.

Nature-led learning and wellbeing.
