This week in Year 1&2

This week we have been busy reading poems and writing our own poems about autumn and harvest ready to read some of them at St Peter's church next week.

The children have also had lots of fun this week spending time designing their Christmas cards.

One part of our 2 weekly PE sessions is Dance this term and this week we were learning a pirate dance. We have to count to 8 as we do each of the actions.

In science and geography, we have been learning about the four seasons and how they affect us and how they affect different jobs.

We are learning to find the pulse in our music sessions.

Year 6 Camp

What a jam-packed week we had!

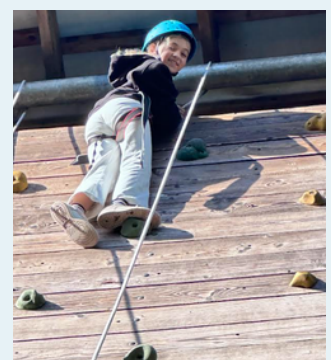

Year 6 were very fortunate to go to the Forest of Dean for a whole week, accompanied by Mrs Phillips, Miss Phillips, Miss Ashman, Miss Coates, Mrs Bowery and Mr Mills. They navigated their way through the forest, faced their fears on the climbing wall and took to the water for canoeing. During the week, the children stayed in rooms with their friends, ate like royalty, played in the games room and definitely went to sleep when they were supposed to...

We are so proud that the children tried new things, pushed themselves to new limits, worked as a team and built resilience. Staff were so lucky to see the children in a new light, outside of the classroom.

Back at school, the non-campers were supported by Mrs Curtis and Mrs Collins. It was lovely that they got the opportunity to do some baking, take part in orienteering activities with Jane and Tippi as well as having Mr Pope for sporting activities. Each day, the children worked together in group projects like: building a spaghetti and marshmallow tower, creating a colourful collage and becoming news presenters.

Overall, for all of the Year 6 children, last week was a blast and we are appreciative to anyone who made it possible and a success!
