| <b>History</b> |                                                                                                                                                                                                                                                                                                                                        | <b>Memory Box</b><br><i>We will explore the changes that have happened to us since we were born, and how toys have changed over time.</i>                                                                                                                                                                                                                             | .Explorers<br>Neil Armstrong<br>Mathew Henson<br>Felicity                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                   | <b>The Big Dig- Dinosaurs and Mary Anning</b><br><i>The children will learn all about dinosaurs and how the remarkable discoveries of a young Mary Anning helped the world to understand more about them.</i> |
| <b>Science</b> | <b>Our Changing World- Sensing Seasons</b><br><i>The children will build on what they are learning in Geography and begin to observe plants and trees within the school grounds and revisit them over the course of the year to observe changes. They will also learn about the differences between deciduous and evergreen trees.</i> | <b>Everyday Materials</b><br><i>The children will be introduced to a range of materials and their properties. They will learn different materials can be made into different objects, and to differentiate between an object and what it is made of. Through observation and experiment, they will explore why certain materials are useful for different things.</i> | <b>Using our senses</b><br><i>The children develop their knowledge and understanding of the human body, building on their early experiences during Foundation Stage. They identify and name simple parts of the body, as they draw and label a life size version of themselves or a classmate. The children are introduced to the concept of five senses that help them to find out about the world around them and link those senses to particular parts of their body.</i> | <b>Looking at Animals</b><br><i>The children will further their knowledge of animals by learning to name, look closely, compare, and contrast groups of animals, learning the terms: carnivore, herbivore and omnivore.</i>                                         | <b>Plant Detectives</b><br><i>The children will be introduced to a wide variety of plants, including trees, which are to be found within their immediate environment. They will exploring and investigating what is familiar and that they see every day around them, such as garden plants, wild plants and trees in school grounds or close by that they can observe first-hand themselves.</i> |                                                                                                                                                                                                               |
